

FOUNTAIN DYE™

SHOW YOUR SUPPORT WITH **COLOR!**

- **Fountain Dye** is a safe, biodegradable, water-soluble & non-toxic concentrated liquid dye formulated as a water colorant for fountains.
- **Fountain Dye** is packaged individually either in a 1-gallon container (or case of 4x1 gallons).
*Ask us about bulk container sizes (i.e. 5 gal, 20-55 gal drum, etc.) & pricing.
- **Recommended Fountain Dye Dosage:**
1 x 16oz bottle: per 150 gallons of water (100 ppm)
1 x gallon: per 1,200 gallons of water (100 ppm)

Note: However will provide a light color tint up to 10x's Recommendation (i.e. 16oz : 1,500 Gals/ 1 Gal : 12,000 Gals)
