

LIQUID POWDER™ TRACING DYE

AVAILABLE COLORS

-  Fluorescent Yellowgreen
-  Fluorescent Orange
-  Fluorescent Red
-  High Intensity Blue
-  Fluorescent Violet

TOP-SELLING TRACING DYE IN THE WORLD!

Our **Liquid Powder** dye is non-toxic and biodegradable, ensuring safe use for both the user and the environment. The dye explodes into a vibrant fluorescent color upon use, ensuring a clear, sharp trace every single time.

Exceptionally visible even in dark areas, and provides instant and 100% accurate results for detecting leaks.
